Allan's and Dalsene's dogs were in
excellent condition, but Johnson's had
not fared so well. He was carrying

Informal AUTOPIANO Demonstration

Every morning and afternoon there will be an informal
demonstration of The AUTOPIANO in our piano section.
Everyone is most cordially invited to attend.

"2 FOR 1" \$25 is worth FIFTY Dollars in this AUTOPIANO SALE

SELDOM does the opportunity arise when a saving of \$25 can be made on
The AUTOPIANO—a player-piano whose price is already remark-
ably low. There will be exactly 200 AUTOPIANOS offered at this
sale and each will be guaranteed and new. The prices asked are the regular
advertised prices of The AUTOPIANO.

We call it our "2 for 1" sale, by reason of our determination to give
every purchaser \$2.00 credit for each dollar of the twenty-five dollars paid
as a first payment, on any style of the wonderful AUTOPIANO player-
piano selected.

One reason for the sale is the near approach of the spring moving and
house-cleaning time—an ideal moment in which to put into the new home,
or the renewed home, as the case may be, a player-piano of artistic beauty
and utmost serviceability. The other reason is that we have recently enlarged
our piano department until now it is without a superior anywhere.

Over 2500 satisfied purchasers have profited by our immense ability to
do big things in selling excellent pianos and player-pianos at prices that are
in no danger of being approached.

Each Dollar You Pay Earns \$2.00 in Value

The prices of The AUTOPIANO are \$475, \$565, \$580, \$595, and \$610. The usual regular first payment of \$25 will be requested on each of these
models. The monthly payment on the \$475 model is \$10—on the \$565 model it is \$12, and on the \$580, \$595 and \$610 models \$13 will be asked monthly.

As soon as you have made a payment of \$25 down on any
of these 200 AUTOPIANOS, we will immediately credit you
with a second \$25 payment.

We will double your first payment on our books.
In other words—you will hand our salesman \$25 and he
will consider that he has received \$50.

You have cut \$50 off the cost of The AUTOPIANO
at the very first payment. We have practically made you a
present of \$25 in cold cash because you were keen enough
to buy at just this time.

A Bank Could Not Make Your Investment More Secure

1st—Each AUTOPIANO comes to us with a written
guarantee from the makers that it is perfect. If it is in any
way defective in workmanship or material—the manufac-
turers will make it right or replace it.

From this store you receive a written guarantee that is
as strong as the factory guarantee.

Thus, you have double assurance that your AUTO-
PIANO must play perfectly for years.

2nd—If you already have a piano, we will exchange it for an
AUTOPIANO at this "2 for 1" sale at a liberal exchange rate.

3rd—The cost of The AUTOPIANO will never be
increased by interest charges. You will arrange to buy it from
us at a certain price which is plainly printed in this advertise-
ment. When you have paid this store that definite amount
(which will be stated in your contract), you will own The
AUTOPIANO. There is no interest to pay.

4th—If, after you have used The AUTOPIANO in your

home for 30 days, it does not suit you, you are at perfect
liberty to call at this store and ask to have it taken away.
Every penny you have paid us will be returned to you. We
will simply close your account and cross it off our books as
a bank would do if you withdrew your money.

5th—If you desire, for any reason, to exchange your
AUTOPIANO for one of the same or higher price on our
floors you may do so at any time within one year from the
date of your purchase.

6th—And, finally, if the purchaser should die, we will at
once cancel the contract and consider The AUTOPIANO
paid for in full, provided that all regular payments have been
satisfied up to the time of death. The payments will not fall
on the family of the deceased.

7th—All of the above points will be covered by a written
document and placed in your hand when the piano has been
secured by the first payment.

The Auto Piano Is the Most Loved of All Player-Pianos

The AUTOPIANO is the unanimous choice of The United States Navy. It is used exclusively on a majority of the men-of-war.

The British, Russian and Chilean navies are equipped with AUTOPIANOS.

The 30th United States Infantry (officers and privates) recently purchased twenty AUTOPIANOS.

Pope Pius X commends its exquisite art.

Giacomo Puccini, Victor Herbert, Luisa Tetrazzini, Mary Garden, Nahan Franco and many other prominent musicians
have called it great and enthusiastically endorse The AUTOPIANO.

The great American Public favors it over any other player-piano. This is absolutely proved each day, each month, each
year when more AUTOPIANOS are sold than any other player-piano made!

Why The Auto Piano Is Perfect

The AUTOPIANO is made in a great factory right here in
New York City which devotes itself exclusively to making player-
pianos. It is the only factory in the world that makes nothing
but player-pianos.

The AUTOPIANO Company has every possible facility in
machinery and expert workmen to conquer the problems of the
player-piano.

As a result The AUTOPIANO stands to-day as near perfec-

tion as the human brain can bring it. It is just as simple in con-
struction as it can be. It is just as solid in build as a player-piano
can be made.

The AUTOPIANO will play every style of music faultlessly.
It will play your style just exactly as you wish to play it.

And because it is built for hard wear, it will continue to play
every day in the year—practically for all time—just as perfectly
as the day you buy it.

Let The Auto Piano Come to You NOW

It will bring a new joy into your life. The whole household
will give it a glad welcome.
NOW—to-day, to-morrow—just as soon as you can get to
this store—is the time for action! Two hundred people may get

here first—and your chance is gone forever! The opportunity to
purchase the most wonderful piano of all is here—it is for you—
it is bidding you take it unto yourself!
Decide to do it! And do it quickly!
